Requirements for [REDACTED] visitor to Brno Trade Fair

1. During the oral briefing of 26 Sept 1955 the following requirements were given to Mr. [REDACTED]: 25X1X6

- a) Evidence of Czech willingness and ability to sell complete cement plants to Western countries, particularly the Middle Eastern Area. Information with respect to price, delivery date, extent of engineering and plant operating personnel aid, and size of plant was requested.
- b) Commentary on general impressions of Czech construction activity at Prague and between Prague and Brno. Particular reference to the "state of the art vis-a-vis Western practice."
- c) Information on Aswan (Egypt) High Dam. Note: [REDACTED] had 25X1X6
prior information on this subject which he supplied to us and agreed to be alert for further data.

2. S/CST would appreciate the opportunity to debrief Mr. [REDACTED] 25X1X6
upon his return to this country.
